MAIMOONA JAVED

Web Developer & Digital Designer

Frontend Development · WordPress & WooCommerce · UI/UX Design · Graphic Design · IT Support

Dubai, UAE

SUMMARY

Web Developer and Digital Designer with 3+ years of professional experience across frontend development, business website development, WordPress and WooCommerce management, interface design, digital content creation, and technical support. Experienced in developing responsive web applications using React.js and Next.js, translating Figma designs into functional interfaces, customizing WordPress websites, managing e-commerce platforms, and supporting day-to-day IT operations. Combines technical problem-solving with visual design skills to deliver and maintain practical digital solutions for business needs.

EXPERIENCE

IT Specialist | Web developer, UI Design & Digital Content

Get Quick International GQI
